Objective: St. Elizabeth Ambulatory Surgery Center was moving into the first floor of a new building and needed furniture to accommodate their new location.

Project: OstermanCron furnished the lobby, staff lounge, recovery rooms, pre-op rooms and consultation rooms.

Products: KI and Carolina seating.

Why OstermanCron? Price - OstermanCron was able to deliver the best furniture options while meeting the client's budget constraints.

Services: Wessels Workplace Services installed the project.

Design: PDT Architects
